

FRESH BREATH OF BEER

E

C - B

**Well there ain't no pain
'cause there ain't no gain
in the pourin' rain
it's just a cryin' shame**

Crazy people walkin' round with stars in their eyes
blinded by the taste of that Miller Lite
Old Milwaukee, and Schaefer's best – but none of 'em baby pass the test

(same as intro)

**And there ain't no beer - that will make it appear
it ain't what you taste, baby - but what you see and hear**

Tappin' the Heiney's is my kind of time you know
frozen glass and a good blade of grass to blow
night time comes time to beat them drums - people come a runnin'
from miles around C B E
only thing from them that you'll hear I need a..... Fresh Breath of Beer

I need a .. Fresh Breath of Beer - [Solo]

What kind of fool do you take me for my friend
King of beers or the mountains, what's your brand
Freedom is choice, that's the one I make
Headin' to the beach it's the one you take
Climb the highest mountain, swim the oceans clear
Just for a ... Fresh Breath of Beer.

**Drink more baby till you get your fill
don't drive home and you won't get killed
tastes great cold or hot off the grill**
