

EYE FOR AN EYE

Something's goin' down tonight you can feel it in the air
someone's gonna pay the price cause they ain't playin' fair
you and I know rules are made for breakin' anyway
let these crazy games begin, I think I wanna' play

[Quick Break]

Break down the barriers, puttin up four walls
ain't no way you're coming in cause you ain't got the balls
Try for redemption -- Pray for reprieve
Time is running out my friend -- time for you to leave

It's an Eye for an Eye and a tooth for a tooth
we both know whose lyin' yeah cause we both know the truth
It's mind over matter what more can I say
get me first I'll get you back --- double up the pain

[Solo]

Do you rage out your window - do you rage out to sea
Do you rage at yourself when you're lookin' out at me
Imminent destruction – Tryin' to stand clear
Better hope you find me first -- before I disappear

It's an Eye for an Eye and a tooth for a tooth
we both know whose lyin' yeah cause we both know the truth
It's mind over matter what more can I say
get me first I'll get you back, double up the pain

[Ending]
