

Interior

Words by Chip Hullender, Music by Tim McGovern

Are you There? Are you Inside?
Do You Fit? Are you too Wide?
Are you Round? Are you a Square?
Are you to Tall, Too short, to odd a sort?
Are you inferior? Interior?

Are you sinking below? Rising above?
Learning to Hate? Fight for love?
Are you Round? Or are you a Square?
Are you to Tall, Too short, to odd a sort?
Are you Superior?
Are you to Tall, Too short, to odd a sort?
Are you Superior?

So let it be a place Where you can hide
Where no one knows The lonley side
Interior

Are you to Tall, Too short, to odd a sort?
Are you Superior?
